SUPPLEMENTARY INFORMATION:

Background

On November 4, 2016, we published a notice of opportunity to request an administrative review of the antidumping duty order on diamond sawblades from the PRC for the POR November 1, 2015, through October 31, 2016.¹ On January 13, 2017, in response to timely

requests from the petitioner² and Husqvarna (Hebei) Co., Ltd. (Husqvarna) and in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.221(c)(1)(i), we initiated an administrative review of the antidumping duty order on diamond sawblades from the PRC with respect to 40 companies, including Husqvarna.³ On April 12, 2016, the petitioner and Husqvarna withdrew their requests for an administrative review for Husqvarna.⁴

Rescission of Administrative Review in Part

Pursuant to 19 CFR 351.213(d)(1), the Department will rescind an administrative review, “in whole or in part, if a party that requested a review withdraws the request within 90 days of the date of publication of notice of initiation of the requested review.” Because the petitioner and Husqvarna withdrew their review requests in a timely manner, and because no other party requested a review of Husqvarna, we are rescinding the administrative review in part with respect to Husqvarna.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess antidumping duties on all appropriate entries. For Husqvarna, for which the review is rescinded, antidumping duties shall be assessed at the rate equal to the cash deposit of estimated antidumping duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR 351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions to CBP within 15 days after publication of this notice.

² The petitioner in this review is Diamond Sawblades Manufacturers’ Coalition.

³ See *Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 82 FR 4294 (January 13, 2017).

⁴ See the letters of withdrawals of requests for review from the petitioner and Husqvarna dated April 12, 2017.

Notifications to Importers

This notice serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement may result in the Department's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of doubled antidumping duties.

Notification Regarding Administrative Protective Orders

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO, in accordance with 19 CFR 351.305(a)(3). Timely written notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act and 19 CFR 351.213(d)(4).
